The American Numismatic Society

Gentlemen:

It is with considerable disappointment that I notify you of my inability to continue my membership in the American Numismatic Society. While so far away to attend your meetings, I have enjoyed the Journal and the Numismatist. However I feel that since my marriage, the demands of my husband's work have first claim, and as in these present days of many demands on limited incomes, his association memberships and subscriptions must be kept up, mine will have to go.

With thanks for your various courtesies, I am

Very sincerely yours

(Ans. Misses A.) Grace Hadley Beardsley
